rohitkumar10eng@gmail.com | +91 7392030573 | Kanpur, India | [Linkedln](#)

PROFESSIONAL SUMMARY

Digital Marketing and SEO-focused WordPress professional with hands-on experience building and managing responsive websites, planning keyword-aligned content structures, and improving on-page and technical SEO. Skilled in WordPress, Astra, Elementor, custom CSS, internal linking, website performance optimization, Google Analytics, and Google Search Console, with full-stack development training that supports better collaboration across content, design, and web teams.

TECHNICAL SKILLS

Frontend	HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, Tailwind CSS, Bootstrap, Redux Toolkit
Backend	Node.js, Express.js, REST API Design, JWT Authentication, bcrypt
Database	MongoDB, Mongoose, MySQL
Tools	Git, Postman, VS Code, Vercel, Netlify, Figma-to-UI, Google Analytics, Google Search Console, keyword research tools, WordPress SEO plugins
CMS & SEO	WordPress, PHP, Elementor, Astra, On-Page SEO, Technical SEO, Keyword Research, Content Structure, Internal Linking

EXPERIENCE

WordPress Developer & SEO Executive | True Technologies | April 2026 - Present

- Build and manage a WordPress website with 92 published blog posts using Astra, Elementor, and custom CSS, including responsive layouts, mega menus, custom headers/footers, and editable CMS sections.
- Support SEO execution through keyword research, content structure, metadata-friendly page layouts, internal linking, technical checks, and performance optimization.
- Use Google Analytics and Google Search Console to review website visibility, indexing signals, and user engagement data for ongoing website improvements.

MERN Stack Developer Trainee | QSpiders, Noida | Aug 2025 - May 2026

- Completed project-based full-stack training across MongoDB, Express.js, React.js, and Node.js with focus on practical development workflows.
- Built RESTful APIs with JWT authentication, protected routes, MongoDB/Mongoose integration, React Router, and Redux Toolkit.

Frontend Developer - Independent Projects | Self-Initiated | Remote | March 2025 - Present

- Built responsive React.js applications from Figma-style UI concepts and deployed live projects on Netlify, Vercel, and static hosting workflows.
- Integrated OpenAI, Gemini AI, Clerk Auth, lazy loading, code splitting, and image optimization for fast user-facing web experiences.

PROJECTS

VPN Affiliate & Blog Website | [vpnexpertguide.com](#)

WordPress | Astra | Elementor | Custom CSS | SEO | Google Analytics | Google Search Console

- Built and managed 92 VPN-focused blog posts on a responsive WordPress website, organizing content for discoverability and long-form SEO publishing.
- Configured custom headers, footers, mega menus, content categories, internal linking paths, and mobile-friendly layouts for a cleaner navigation experience.
- Applied keyword research, on-page SEO, technical SEO checks, content formatting, performance optimization, and analytics/search console monitoring.

AI Story Generator | [ai-story-generator.netlify.app](#)

React.js (Vite) | Tailwind CSS | OpenAI API | Gemini AI | Clerk Auth | JWT | Node.js | Express.js | MongoDB

- Full-stack AI app where users generate stories and illustrations through OpenAI and Gemini APIs with a per-user credit wallet flow.
- Implemented Clerk + JWT authentication, protected routes, responsive UI states, async API handling, loading states, and error feedback.

E-Commerce Store - Sporting Goods | [sporting-goods.netlify.app](#)

React.js | Redux Toolkit | Axios | Node.js | Express.js | MongoDB | Mongoose | JWT

- Built a full-stack e-commerce platform with product listings, cart, user authentication, order management, search/filter, and order history.
- Created REST APIs with JWT-secured routes and role-based access for admin and customer workflows in a mobile-responsive interface.

EDUCATION

B.Tech - Computer Science & Engineering | Kanpur Institute of Technology (KIT), Kanpur, India | Graduated: June 2025

CERTIFICATIONS

Full Stack Web Development Certification - QSpiders, Noida | 2026
